PROFILE

Results-driven IT graduate and Full-Stack Developer with hands-on experience building responsive, user-centric web applications using React.js, Python, and modern frameworks. Proven ability to deliver end-to-end solutions — from UI design to deployment — with a strong focus on code quality and user experience. Eager to contribute technical skills and creative problem-solving to a forward-thinking team.

WORK EXPERIENCE

IT Support & Data Entry Specialist 2024

Produced structured digital reports and documentation using Microsoft Office tools.

Records Digitization Officer 2025 · 2 months

Shaqlawa Education Directorate

- Digitized and systematized physical teacher files into a structured electronic database.
- Improved data accessibility and retrieval efficiency across the directorate.

Web Developer — Freelance 2026

- Designed and launched Lumina Link, a customizable bio-link platform serving personal and business users.
- Integrated multi-language support (Kurdish, Arabic, English, Spanish) with full RTL implementation.

EDUCATION

Diploma of Information Technology 2024 – 2025

Shaqlawa Technical College

- Graduated in IT; collaborated on a smart assistive chair project for disabled users.

Full-Stack Web Development Course 2025 – 2026

- Completed intensive training covering React.js, databases, system design, and modern deployment workflows.
